Lisbon, April 3.

PREPARATIONS are making at Court for the Departure of the Infanta Anne-Marie-Francoiſe, future Spouſe of the Archduke Joſeph; and 'tis expected the King will ſhortly name the Perſons who are to attend that Princeſs in her Journey to Vienna. They are equipping in this Port the Fleet bound for Maragnham; and 'tis thought the ſame will be ready to put to Sea, with that bound for Fernambuco, by the End of this Month. The Regiments appointed to form a Camp in the Neighbourhood of this City, wait only for Orders to repair to the Ground that is already marked out for that Purpoſe.

Naples, April 17. Their Majeſties and the young Royal Family arrived here Yeſterday from Caſerta; they propoſe ſtaying at their Palace in this City till the 29th, and then to remove, with the whole Court, to Portici for the Summer. The King has cauſed a great Number of Debtors to be ſet at Liberty. The Duke and Dutcheſs of Wirtembourg, after ſeeing every Thing remarkable in this City, are returned to Rome, in order to aſſiſt at the Religious Ceremonies of the Holy Week.

Poſnania, April 27. We have at length come to a Reſolution to act vigorouſly againſt the Coſſack Heyducks, in order, if poſſible, to prevent the many Outrages they are continually committing; for which Purpoſe a conſiderable Body of Troops are to aſſemble in the Poliſh Ukraine, the Officers of which, having received their Orders from Count Branicky, Great General of the Crown Army, are already ſet out to join their reſpective Diviſions.

Copenhagen, April 30. On Friday laſt the Queen Mother went to Hirſholm for the Summer; and the young Royal Family are to remove to Fredensbourg on the 4th or 5th of next Month. The Manufacture of Cloth and other Woollen Goods, lately ſet on Foot in the Iſland of Iſeland, meets with great Encouragement; and 'tis thought, by the Quantities they have already made, that they will ſoon be able to furniſh enough to anſwer the Demands of the Inhabitants of that Iſland. The Militia of this City, who are to guard the ſame during the Encampment of the regular Troops, are daily learning the new Exerciſe lately introduced amongſt thoſe Troops. The King, in order that the Works of the new Port which is erecting at the Point of Neibo, may be carried on with the greater Expedition, has ordered a large Body of Soldiers to be ſent thither, to be employed on the ſaid Works.

Paris, May 4. Yeſterday the Deputies of the Parliament went to Verſailles, in order to know the King's Pleaſure with Regard to his receiving their new Remonſtrances; but were refuſed an Audience. However 'tis thought his Majeſty will communicate his Sentiments on that Subject to their firſt Preſident, who, we hear, is ordered to wait on him, with two other Preſidents, for that Purpoſe. They write from Cadiz, that the Gothick Lion, and the Frederick Adolphus, two Ships belonging to the Swediſh Eaſt India Company, which have been in that Bay for a Month paſt, are put to Sea on their Voyage to Canton in China.

Bruſſels, May 7. Prince Charles of Lorrain, our Governor General, is ſtill at Ter-Vuren, where he propoſes to ſtay ſome Days longer. We are aſſured his Highneſs intends going this Summer to Vienna. A Project is on Foot for widening ſeveral Feet the Canal from Bruges to Ghent; but as this will be a tedious Piece of Work, and very expenſive, 'tis greatly doubted whether it will ever be carried into Execution.

Hague, May 10. The States of Holland and Weſtfrizeland, who opened their Aſſembly Yeſterday, have continued their Deliberations To-day. Meſſ. Beelaars and Peſters, Deputies to the Council of State on the Part of the Provinces of Holland and Utrecht, are appointed to regulate the Duties, and examine the Magazines and Fortifications in the Diſtrict of the Meuſe; and Meſſ. Scheideruyt and Blommerſma are appointed to do the like in the Diſtricts of Wedde and Weſt-Woldingerland.

Kenſington, May 16.

This Day His Majeſty came from St. James's, to reſide here for the Summer.

His Majeſty having been graciouſly pleaſed, by his Warrant under his Royal Sign Manual, dated the 10th *of June,* 1733, *to eſtabliſh certain Rules and Orders for the Relief of Poor Widows of Commiſſion and Warrant Officers of the Royal Navy: Theſe are to give Notice, that Copies of the ſaid Rules and Orders are lodged with the Commiſſioners of his Majeſty's Navy at Chatham, Portſmouth, and Plymouth; as alſo with the Clerks of the Checque at Deptford, Woolwich, and Sheerneſs; and with the Naval Officers at Harwich, Deal, and Kinſale; where all ſuch Widows as intend to lay in their Claims, may be informed of all Particulars which entitle them to the Benefit of the ſaid Charity, and receive the proper Certificates for that Purpoſe. But ſuch Widows as live at too great a Diſtance from the Places above-mentioned, may apply by Letter to Mr. Charles Fearne, at the Admiralty Office, who will ſend them all neceſſary Information. And the Governors of the ſaid Charity intending to diſtribute to the Widows of Sea Officers who died before the* 30th *of Auguſt* 1732, *as well as to the Widows of thoſe who died ſince that Time, whoſe Circumſtances come within the Rules of the Eſtabliſhment, ſuch Monies as may be due to them on the* 31ſt *Day of May next; This is to give Notice thereof, that any Widows who have not yet applied, and intend to lay in their Claims, may do ſo as ſoon as poſſible; and that all ſuch Widows whoſe Claims have been already allowed, may ſend or bring to this Office, by the* 31ſt *of next Month, the Affidavits required by the Rules, in order to their being continued upon the Penſion or Bounty.*

DR. *JAMES's* Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY's ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisies, Quinsies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Esdall, Printer, on the Blind Quay, Dublin.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned. Price 6 d.

WHEREAS His Majesty has been graciously pleased to grant His Royal Letters Patent, bearing Date April 5, 1753, to Humphrey Jackson, Chemist, for the sole making and vending a new invented Medicine called *Cordial Bitter Tincture for the Stomach*, which is a certain Remedy for most Disorders incident thereto, as Loss of Appetite, Pain, Indigestion, &c. more particularly express'd in the Bills of Directions given with each Bottle: Thereby commanding all Manner of Persons within these Kingdoms, and the British Colonies in America, from preparing, counterfeiting, or vending the same, as they will answer the contrary at their Peril. By Virtue of the aforesaid Patent, with my Permission, this Medicine is sold, Wholesale and Retale, by Mr. Newbery, Bookseller, in St. Paul's Church Yard; Mr. Butler, Apothecary, Threadneedle Street; Mr. Carter, the Corner of Spring Garden Gate; Mr. Henry Freeman, on St. Margaret's Hill, Southwarke; and at my Warehouse, at the Golden Head in East-Smithfield, London. Price One Shilling each Bottle.

HUMPHREY JACKSON.

N. B. This Tincture, on Account of it's agreeable Flavour, being generally drank in Wines, has been sufficiently approved of in most Capital Cities in Europe, so as to need no further Recommendation. Country Shop-keepers, &c. who are inclined to retale the same, are desired to send their Letters Post paid.
